ABOUT US

Breathnach's, pronounced "Brannock's" is a family owned business in the heart of Kilkenny's Marble City.

We were established in 2000, the same year Kilkenny won their 26th All Ireland Senior Hurling Final.

We aim to provide the best in local beers, beef, lamb, organic chicken and vegetables.

Breathnach's incorporates 3 bars and 2 beer gardens...Perfect for group gatherings and private parties.

Did you know that Breathnach's is the Gaelic name for 'Walshe'?...."just another piece of useless information."

We hope you enjoy your visit.
